

## Company

Organize MP3 Music, Inc.  
Central Office & Development Center  
3074 Sipp Ave  
Medford, New York 11763

Organize MP3 Music, Inc. was originally founded in 1994 and went a long way from the initial small one-man shop for data analyzing software to the file processing tools specialist, that it is today. In 1997 we changed our business focus on file processing software and development tools and introduced to the market:

### Organize MP3 Music

Organize MP3 Music version 1.0 released in 1997, was the first tool that could process file storages with unlimited size, in one easy step. Combined with its straight-forward user interface and ease of use, the product became an immediate success. Today, Organize MP3 Music is one of the best selling and most popular file organizing tools world-wide. The introduction of .Net based - Organize MP3 Music continues our mission to provide high quality file processing tools, and expands our presence in the file processing tools market. On Organize MP3 Music is based a group of popular file organizing tools, including Organize MP3 Music - leading MP3 music organizing solution for media collections of all types.
